CST259

Microphone drum stand with extendable boom arm, adjustable from 500 to 900mm.

Highlights:

- 5/8" to 3/8" thread reduction included
- Lightweight for easy handling
- Height adjustable from 480 - 730 mm
- Black foldable steel legs with anti skid feet
- Steel boom arm with adjustable length from 500 to 900 mm

Product information:

The CST259/B is a microphone drum stand that has a height range between 480 and 730 mm. The included steel extendable boom arm is length adjustable between 500 and 900 mm. Both the stand and the boom arm are made out of steel. A steel 3 footed base gives the stand great stability while its low weight makes it easy to move around. Also included with the stand are 5/8" to 3/8" thread reduction and a cable fixation clip.
