PROMO5503
AUDAC presentation folder

Product information:

The AUDAC presentation folders are a durable and attractive way to present your custom AV projects in a professional portfolio which can be used to professionally pitch your next project. These presentation folders are made with special cut-outs to include your business card, which means your cards no longer get lost amongst larger papers. A gusset of 5 mm provides you with enough space to safely store your documents. The black colour of these folders makes them ideal for use in a professional settings.

We reserve the right to change specifications without notice, this is part of our policy to continually improve our products.
